### Barber's Scissors

Here are the Barber's Scissors, (make cutting motion)  
With which he cuts my hair

I hope he cuts my bangs (snip fingers around hair and bangs)  
Very nice and square

A comb, a brush (pretend to comb)  
Hairspray too, (spray hair)  
The barber has a lot to do!

### Flannel Board

When Hats Blow:

When I hear the winds blow  
I look up in the sky  
Instead of things like birds or planes,  
I watch the hats fly by

Each one different from the last,  
Every color do I see.  
Some are big and some are small,  
As they fly by me.

Here comes a blue hat flying by,  
Now a yellow hat in the sky  
Next a red hat on its way  
Then a brown hat flies away

Green and black, red and white striped  
Even purple- what a sight!  
I like it when there's rain and snow,  
But most of all when hats blow
